Federal Home Loan Bank Program

Key can also help McDonald's Owners/Operators evaluate alternatives for franchise financing, subject to Federal Home Loan Bank approval.

Key also offers competitive fixed rates through an interest rate swap.

Treasury Management

A holistic approach helps our franchise clients run their businesses more efficiently every day. Commercial payment solutions are evolving to meet the 21st century demands of businesses. When you work with KeyBank's Enterprise Commercial Payments team, we take the time to get to know your business and work with you to provide recommendations that will help you run your franchise better every day. We will help you manage your cash and keep it safe through fraud mitigation tools. With Smart Safe, powered by Loomis, you can securely count and store your currency and receive daily credit, regardless of when it's removed by an armored courier. Additionally you can hold on to your cash longer by using our Purchasing Cards.
